ROTARY CLUB OF

President's Message

When Roswell Rotarians donate to the Rotary Foundation, our donations return to District 6900 and to us after three years in the form of grants that can support our projects and endeavors. The most basic of these is the Standard District Grant which each club in the District can apply for and receive each year.

This year, the recipient of our grant is the Unity Garden at the Chattahoochee Nature Center. For almost 12 years now, produce grown in the Unity Garden has been donated to North Fulton Community Charities to provide fresh food to many needy families in our community. This bounty amounts to 8 - 10 tons of food each year! Our grant donation will allow the Nature Center to purchase replacement tools badly needed after 11 years in operation as well as seed which has seen price increases similar to most everything we buy.

Come hear more about the Chattahoochee Nature Center this week, one of many local charities and non-profits that benefit from our annual Golf and Tennis Tournaments. See you Thursday!

Where the Wild Thing Are

Program August 11- Chattahoochee Nature Center

Excited to welcome Chattahoochee Nature Center to Roswell Rotary on Thursday! Bob Hagan will get us started off with introductions and we'll hear from Natasha Rice, President and CEO and David Miles, Senior Director Resource Development, who will fill us in on what's happening at the center. Click Read More for more information about Natasha and David!

For a special treat, we will have an animal encounter with Christie Hill who is bringing in one of the wild creatures currently making its home at CNC. Don't miss this chance for an up close view of what the Chattahoochee Nature Center is providing to our community. Hoot hoot!

After Hours Club Update

At the last After Hours meeting, the club had an extra special guest speaker--or should we say, guest "barker." Goose, the Roswell Police Department's new explosive ordinance and community relations dog stopped by! He stole everyone's heart with his goofy demeanor, playful smile and consistent sniffing! The club loved learning about how he serves the Roswell community.

Additionally, After Hours welcome a new member! Welcome, Justice Brakache! Congratulations--the club is lucky to have you!

The next After Hours meeting is Tuesday, August 16th at 6:30 at the usual spot, The Artillery Room at Gate City.

FAMILY OF ROTARY

Our membership cares deeply about the needs and concerns of our members. We don't want to miss an opportunity to reach out in friendship when such concerns arise. The chairperson of this committee is Lynn Dunn and all news should be directed to her at

lynn.dunn@rmcpa.com

You've seen the banners at the front of the room about our many Club of the Year awards. But to win this type award, a club has to win first place awards in many categories. This past president led us to our very "first" first place award at the district level. But more importantly, he led the club when we inducted our first women members, one of whom is still a member after 35 years. Come find out what else happened thirty five years ago at Roswell Rotary when we hear from Trummie Patrick, Jr.
